

HEAR WHAT OTHERS ARE SAYING ABOUT THE COLORADO WATER LOSS INITIATIVE

Visit www.coloradowaterloss.org to enroll today!

Stage 1

Included a brief webcast and a workshop on the basics of AWWA M36 water auditing and water audit data validation

Stage 2

Currently underway, Stage 2 is a teleconference work session in which water auditing experts and each utility's water audit team examine the utility's AWWA M36 water audit in 'practice' validation session

Stage 3

In-person workshops building on the concepts presented in the previous stages, plus introductory materials

Stage 4

Teleconference work session conducting a Level 1 Validation of your utility's water audit

"The Colorado Water Loss Program has been a great benefit to our utility that has given hands on experience. The team provided great feedback and tools on conducting the water audit, making it easy to understand and a good resource for years to come to track the utilities losses."

Kathleen Schwaab, City of Golden

"Whether you're just starting out doing M36 water loss audits or you have a few years under your belt, the Colorado Water Loss Initiative workshops are a great place to learn how to do the audits and how to refine the audits you may already be doing. It was well worth our time to collaborate with other utilities in this free initial hands-on workshop."

Michelle Erickson, City of Loveland

"CWLI has been a fantastic resource for Fort Collins Utilities. Prior to participating in the program we were not taking into consideration all the variables that impact our Utility's water loss. The expertise of the consultants has been incredibly valuable as we work to better understand how our system operates and prioritize projects that will decrease unnecessary water and revenue loss. To top it all off it is completely free!"

Abbye Neel, Fort Collins

"The CWLI program has been a wonderful resource. It gives real insight as to the 'hows and whys' of completing the M36 Water Audit. Very glad it has been offered, and at no cost!"

Katherine Kallenbach, Pueblo West
